

As an American citizen, I am strongly opposed to and offended by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Their decision to preempt local broadcasting and replace it with campaign propaganda is contrary to the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
